The Queen Of Hearts

The elderly Brothers Owen, Morgan and Griffith live a quiet, retired life in the countryside, which is turned upside-down by Griffith's ward, the young Jessie Yelverton. Originally, her visit to them was to last only six weeks, but for a very certain reason, the gentlemen must find a way to prolong her visit and get Jessie to stay for ten more days. To make her stay, they promise to tell her an entertaining and exciting story each night. (Summary by Carolin)
